### WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Maysville women know how the aches and pains that come when the kidneys fail, to make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all of these disorders. Here's proof of it in a Maysville woman's words:

Mrs. John Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly today as when I gave a statement for publication in their favor some years ago. I was subject to attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The prompt relief I received from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any bad attack."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—take no other.

WALDRON—LYKINS.

Mr. H. H. Waldron, aged 24, of Ona, W. Va., and Miss Willie Lykins, aged 18, of Lewis county, were married Saturday in the County Judge's office, His Honor, Judge W. H. Rice, officiating.

The bride and groom were an exceedingly prepossessing couple. They were accompanied by Miss Bryant of this city and a couple of young ladies from Lewis.

### Latest News

Caleb Powers will win in the Eleventh District by over 21,000 majority.

Remember, the election is tomorrow, November 8th, and not November 14th.

Patrick Walsh, who was 100 years old on March 17th last, died Friday at Covington.

The population of Iowa is 2,224,771, a decrease of 7,082 under the population of 1900.

Mark Daugherty, a Glasgow business man, may lose an arm as the result of a spider's bite.

The tobacco warehouse of Fitz Fullenstain at Hopkinsville was destroyed by fire of unknown origin.

Election of State officers, Judges of the Supreme Court, Railroad Commissioners, etc., will be held in thirty-eight States tomorrow.

At Huntington, W. Va., Hal Lindsay, a prominent Cincinnati architect, was drowned by the capsizing of a small boat in the Ohio river.

While cutting corn, Porter Prewett, a well-known young man of Valley View, cut a gash in his knee with a corn knife and has developed a serious case of blood poison.

Dr. H. H. Crippen, convicted of the murder of his wife, Belle Elmore, the actress, at London, had his appeal from death sentence denied, and he will be executed tomorrow.

To back his belief that Belle Elmore, wife of Dr. Harvey Hawley Crippen, still lives, Dr. J. M. Munyon of Philadelphia offers a reward for her of \$50,000 to any one who will produce her.

Henry Clews says: "In the general business situation there is little change. Confidence has received considerable stimulus from the fact that the farmers are having another good year."

The Knights of Pythias of Kentucky are making rapid preparations to build an addition to the present Home in Lexington, which will be used as a girl's dormitory and will cost \$20,000 or more.

The success and progress of the United States under the Republican Administrations of the past fourteen years is without a parallel in all history. This record any voter should be proud to endorse.

The Democrats are claiming everything in tomorrow's election, even the defeat of Caleb Powers. It's all right. They'll gain some, but Bennett's election is a cinch and Harmon is going to bite the dust.

Prohibition State headquarters concede that St. Louis will be carried by the wets at the State election tomorrow, but claims that the balance of the State will overcome the wet majority of that city.

A vote for Bennett is a vote for Taft. A vote for Fields is a Billy Bryan "free soup" vote. Remember the dark days of 1896 when the "Bryan Democracy" was proven to be the most absurd political theory the world ever saw.

The Democrats of the Ninth District are making a brass band campaign and are turning every stone to elect Fields. The latest and latest trick is to inform the Negroes of the country districts that the election will not be held until next Monday, the 14th.

The annual inspection of the C. and O. line will begin November 14th, the party starting from Clifton Forge, Va.

The funeral of the late Dr. Louis Marshall yesterday morning at 10 o'clock was one of the largest ever witnessed in Washington. The floral tributes were profuse and elaborate, a mute testimony of the high esteem in which the deceased was held.

MRS. SABINA WELLS.

Mrs. Sabina Wells, a life-long resident of this city, died Saturday evening at 5 o'clock at her home in East Second street, Sixth Ward, after a protracted illness incident to old age, aged 78.

Her husband preceded her to the grave years ago, and she is survived by three children—Messrs. Joseph and David Wells of this city and Mrs. Mary Cottey of near Germantown. She was a good woman and a consistent member of the Third Street M. E. Church.

The funeral will take place tomorrow afternoon at 2 o'clock from her late home, with services by Rev. W. H. Davenport.

Interment in Maysville Cemetery.

**PUBLIC LEDGER**  
MAYSVILLE, KY.

The weather: Fair today and Tuesday; warmer.

Mr. Chenault Dearing of Johnstown, Pa., son of Judge and Mrs. W. G. Dearing of Louisville, formerly of Fleming county, and Miss Margaret Curd of Louisville will wed Wednesday, November 16th.

Mr. Charles E. Curran, one of the most successful traveling men on the road, who returned to Maysville a few days ago after his fall trip through the South in the interest of the Malleable Range Company of South Bend, Indiana, reports another immense season's work and that the year 1910 will prove the best in the history of his house. He makes all the big Southern cities from Memphis to New Orleans and declares that the Sunny South is expanding ahead of all other portions of the United States. He will remain at the home of his mother, Mrs. Hannah C. Curran, in East Fourth street, for a short rest before resuming his tours.

#### Police Court.

Saturday was a busy day in Judge John L. Whitaker's Court. The docket was an unusually large one, being the accumulation of several days. The ages of the prisoners at the Bar ranged from sixteen to sixty-five years, and the charges varied from an ordinary drunk and petit larceny to more serious offenses.

The first case called was that of John McGill, petit larceny. McGill is a notorious and worthless character, and was arraigned for stealing cabbage. He was held to the Mason Circuit Court on his own recognizance in the sum of \$100.

Leelle Howe, John Donovan and Joseph Euda, Jr., whose ages ran from 16 to 18 years, with homes in Covington, Ky., charged with breaking the seal and entering a C. and O. freight car, were held for appearance at the next term of the Mason Circuit Court, and in default of bail in the sum of \$300, were committed to Jail. The mother of the Euda boy came up from Covington and attended Court. Her presence attested a mother's love and devotion for a wayward child, and her mental distress caused expressions of sympathy for the poor woman by those who witnessed her anguish.

George W. Tillet, carrying concealed deadly weapons, drew a fine of \$30.50 and ten days in Jail.

James Monahan, alias Edward Hyland, petit larceny;—this is the fellow caught in the White Hall, and when arrested tried to play off drunk—held over to the Mason Circuit Court in the sum of \$100 and in default was committed to Jail.

B. H. Stinnette and James Tudor, drunk, \$6.50 each.

THE LEDGER leads in all, and is the favorite paper of the people.

### THE AWKWARD AGE.

White skirts are lengthened past the knees,  
And curls are prisoned in a braid;  
When any close observer sees  
A sallow length of limb displayed;  
When needless blushes glow and fade  
And headless laughter ebbs and flows,  
That is the age girls can't evade—  
Too old for dolls, too young for beaux!

Full of small fears and jealousies,  
Timid, and easily dismayed;  
As changeable as an April breeze—  
Bravely modest, wildly staid;  
Pleasures and sorrows, lemonade,  
Romantic friends and deathless foes—  
With such weird toys her games are played—  
Too old for dolls, too young for beaux!

With others, never at her ease;  
Alone, her freaks aside are laid,  
And all her graceless gaucheries  
Leave her no longer on parade.  
What dreams are these, of flashing blade  
And Prince and prancing steed—who knows?  
What poems couched, what hopes betrayed,  
Too old for dolls, too young for beaux!

Children's white bearskin coats and caps,  
slightly soiled therefore much under price, at  
Hunt's.

### REPUBLICAN BY 991

The Ninth Congressional District  
Gave Taft a Thousand Majority  
and Bennett is a Sure  
Winner

Twenty years ago the Ninth District was,  
you might say, solidly Democratic, but things  
have changed and now the Ninth Congressional  
District is as safely Republican as one would  
wish.

Following is the vote of the District by  
counties in 1908, showing the Taft and Bryan  
vote:

	Bryan	Taft
Bath.....	1,754	1,471
Boyd.....	1,950	2,894
Bracken.....	1,510	1,100
Carter.....	1,595	2,620
Fleming.....	2,057	1,984
Greenup.....	1,441	2,142
Harrison.....	3,735	2,528
Lawrence.....	1,878	2,098
Lewis.....	1,268	2,549
Mason.....	2,675	2,136
Nicholas.....	1,723	1,085
Robertson.....	688	388
Rowan.....	757	1,017
Totals.....	23,031	24,022
Republican majority.....		991

Drummer Fields is surely not as popular and  
strong with the Democracy as was the great  
and only William Jennings Bryan, the "Peer-  
less One."

## A "Try-on" Necessary

Words can't do justice to our Suits. Only a close inspection  
can give you a full appreciation of their splendid tailoring—of the in-  
finite care devoted to every detail of finishing from lining to button-  
holes—and only a "try-on" can show the full perfection. Many fab-  
rics and colors and a varied price line from

\$12½ to \$35.

## Children's 25c Stockings

There is usually more tear than wear in children's stockings.  
The "Peerless" gives the maximum of wear and a minimum of tear.  
You'll be surprised to find how long they last. They have triple  
knees, heels and toes, perfect dyes, superior yarns, giving elasticity,  
fit and strength—all the qualities that go to make just the stocking  
lively boys and girls can wear without being a constant worry to the  
mother.

## Granite Cloth

45 inches wide and only 50c yard. Black and navy. We have  
never had such an excellent quality of this popular fabric for the  
price before. The jobber had too many pieces in above colors and we  
profited by his mistake. The good luck and savings pass on to you.

### WHY THEY FAIL

MOST PILE REMEDIES MISS THE  
CAUSE OF PILES

Disagreeable treatment with ointments or  
suppositories usually fails to cure piles and cut-  
ting them off won't remove the cause. Such  
treatment only moderates the outside effects of  
the disease and fails to remedy the inside  
cause. The up-to-date doctors now use inter-  
nal medicine to free the circulation in the  
lower bowel and so remove the disease.

Dr. Leonhardt's Hem-Roid, the first and only  
guaranteed internal pile cure in the form of  
tablets, cures any kind of piles. Sold by J.  
Jas. Wood & Son, Maysville, Ky. \$1 for large

DEMOCRATIC Tariffs always bring soup houses.—Eaton (O.) Register.

DR. WARNER, a leading health physician, blames nearly 100% of contagion upon the common house fly and upon impure water. In the case of scarlet fever, playthings, or even pet dogs and cats, are carriers of the disease, but he says that these cases are so rare that they need scarcely be considered.

THE Lincoln Memorial Building at LINCOLN's birthplace, near Hodgenville, has been completed all but landscaping the grounds, but the dedication will not occur until next spring, when President TAFT and his Cabinet will attend. The total cost of the building and park improvements to date is \$120,000.

THE principal muckraking and assaults upon personal character come from papers and magazines published in New York, which, as an importing and steamship carrying center, is a hotbed of Free Trade. There is a certain number of people who prefer to believe these wantonly mendacious stories, and a certain class of political orators seek to promote their own fortunes by exploiting them.

## GOES TO CARLISLE

Mr. Edward Emrick, Superintendent of the St. Louis Wrought Iron Range Company, who with his crew of 18 men and 5 wagons have made the St. Charles Hotel their headquarters for the past two months, leaves today for Carlisle to take up the work of canvassing the Bluegrass country, with Carlisle as their work center. While at work in this territory Mr.

Emrick sold nearly 300 of his high-class and high-priced ranges—"The Home Comfort"—which are known and used all around the world. Mr. Emrick and his handsome wife and little boy made many friends while in Maysville. He tells THE LEDGER that he will "return to Maysville in 5 years." Think of it; where'll we see him in 1915?

The regular monthly meeting of the City Fathers will be held this evening.

DID you hear of any manufacturing industries employing agents to look up men to work in 1892 to 1896? There are plenty of factories doing this today. In these days there is all kinds of work for all kinds of men. Then why vote for a change?

THE fact is that the solid South is breaking up on the Tariff question. There are manufacturing establishments springing up all over the South and the doctrine of Protection to American labor is getting a strong foothold in those heretofore Free Trade States.

SENATOR DICK of Ohio, who has been a pretty steadfast stand-patter, is doing a lot of insuring on his own account just now. The progressives thought they would quietly rule him out of the Ohio campaign, and on that issue Dick is a progressive insurgent and an insurgent progressive.—Buffalo Express.

JUDGE J. B. BENNETT, Representative in Congress from the Ninth District and the Republican nominee for re-election, has to his credit a record of accomplishments for his District and people that demonstrates conclusively that he is a worker in Washington, even though he may not make as many speeches as some of our Kentucky statesmen whose stock in trade is vociferous oratory rather than practical performance. He has been a clean and creditable Representative in his general relation to public affairs during the three terms he has served in Congress, and in securing legislation of special interest to his own District he has done more than half a dozen predecessors combined, as the record of public buildings, river improvements and other appropriations will show.—Lexington Leader.

## Is the Tuberculosis Crusade Losing Ground?

Despite all the efforts being made by advocates of fresh air and egg-and-milk treatments, the number of new cases has not been noticeably decreased. Write to us and ask to be referred to Jergymen, Priests, men and women who took Eckman's Alternative and are today well and strong without a trace of tuberculosis—pronounced so by physicians. Some of them took the Alternative 10 years ago when doctors said they would not live 10 weeks. Could anything be fairer to yourself and those who love you and would do anything to restore you to health? If you are skeptical—investigate us, our medicine, our advertised statements. Write to those who have sent in affidavits and testimonials telling how Eckman's Alternative cured them. Here is one: 5323 Girard Ave., Philadelphia, Pa. Gentlemen: "In the winter of 1903, I had an attack of Grippe, followed by pneumonia and later by Consumption. I grew steadily worse. In the winter of 1904 I had cough, night sweats, fever and 'rising' of awful looking stuff and later, I had many hemorrhages; at one time, three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains, but did not go. Eckman's Alternative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well. Everything I say here can be verified by my family and friends." (Signed Affidavit) Annie Floyd Loughran. Eckman's Alternative cures Bronchitis, Asthma, Hay Fever, Throat and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for additional evidence. For Sale by all leading druggists and J. James Wood & Son in Maysville.

## CHRISTIAN CHURCH

Rev. R. H. Crossfield Preaches Last Sermon Last Night to Large Audience

The revival at the Christian Church conducted by the Rev. R. H. Crossfield of Lexington, closed last night, the meeting resulting in some eighty additions to the Church.

Not only in this respect has the meeting been a success, but the good of the services will be felt throughout the city. Rev. Crossfield's sermons have been eagerly listened to and the large congregations that have attended night after night attested the interest that he had aroused. The personal work that was done during the past two weeks helped greatly toward the success of the revival.

The new members of the Church will be tendered a reception Wednesday evening at the Church.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## Gas Light Talks—No. 49.

## Let's Work Together.

We made the statement in Saturday's Talk that, in order to succeed, a public service corporation must have the good-will of the public it serves. This is fundamental.

It is for the purpose of securing this good-will on a permanent basis, that we are publishing these Talks.

For, unless there is perfect understanding, there cannot be lasting good-will.

Now this company's purpose is the development of Maysville along solid commercial lines, in order that with this development may come the broadening of this company's field of endeavor and the enlargement of its service to the public.

Our efforts to this end will be vain, however, unless we have your support.

In this case we mean moral and not financial support.

Naturally, it will require financial support to carry out the plans we have in mind, but, if we are on good terms of mutual understanding with you, the financial end will take care of itself.

You see, when there is constant misunderstanding and controversy between a public service corporation and the people it serves, the difficult task of such service is rendered doubly difficult and the growth of a city, in which a public service corporation could assist materially, is retarded.

There is no better illustration and confirmation of this statement than can be found right here in Maysville.

You have been acquainted through the medium of these Talks, if, indeed, you were not already familiar, with the vicissitudes, due almost entirely to misrepresentation and the consequent misunderstanding, through which this company has passed.

The company has gone ahead with its plans, through the effort and sacrifice of those connected with it, and Maysville has today a public service of which the city may boast—a fact well known in public service circles.

But the point we desire to make is that the present day service should have been in effect some years ago and would have been but for the conditions to which we have referred.

What we want is for the public to meet us half way, in a friendly spirit, in order that we may work together for the development of Maysville. Its to your interest as well as ours.
